

Be a Friend of The Phil

Friends of The Phil provide vital financial support towards furthering the objectives of The Philharmonic Society of Selangor, the main one of which is to promote the love of music in the community.

The Phil — as the Society is affectionately known — does this by producing, encouraging and sponsoring musical performances and free-for-public singing programmes.

Our impact is on not only our performers and audiences, but also the charitable organisations within our community that are the monetary beneficiaries from our shows, since one of The Phil's objectives is to contribute part of our surplus to such groups.

We rely on the generosity of individuals, corporations and foundations—all fellow members of the community, really — to support us in our mission. Give today and make a lasting impact on both The Phil as well as your community.
